What happens in Vegas might stay in Vegas, but when an innocent woman is pinned with someone else's lethal mistake, the bright lights of Sin City threaten to dim for good...

At seventeen, Lizzy's first love swindled her out of a small fortune in lottery winnings, and her own small business—forcing her to strip to keep loan sharks at bay. That's what led her to Vegas. Now she's agreed to cater a Valentine's Day party for her friend and soon-to-be business partner, Duncan. What she doesn't know is that the shy, wealthy tech wiz is secretly in love with her. Lizzy also doesn't expect to be hauled in by the cops when the two of them are accused of murdering Duncan's gold-digging (almost) ex-wife...

Lizzie should have learned the first time that mixing business with pleasure isn't a good idea. For the record, she doesn't sleep with friends. But as she and Duncan race to clear their names and find a killer, might they also discover they're more than friends—just in time for the most romantic day of the year?...

“Sin on the Strip is as suspenseful and sexy as the title promises. Don't miss this one.”--Cindy Gerard, *New York Times* bestselling author

“Lucy Farago has an eye for detail, a heart for romance, and a voice as layered as her plot and characters!” --Roxanne St. Claire, *New York Times* and *USA Today* bestselling author
