The Kingkiller Chronicles Volume I and II "Name of the Wind" and "Wise Man's Fear" Patrick Rothfuss

Book One - The riveting first-person narrative of a young man who grows to be the most notorious magician his world has ever seen. From his childhood in a troupe of traveling players, to years spent as a near-feral orphan in a crime-ridden city, to his daringly brazen yet successful bid to enter a legendary school of magic, "The Name of the Wind" is a masterpiece that transports readers into the body and mind of a wizard. It is a high-action novel written with a poet's hand, a powerful coming-of-age story of a magically gifted young man, told through his eyes: to read this book is to be the hero. Book 2 "As seamless and lyrical as a song from the lute-playing adventurer and arcanist Kvothe, this mesmerizing sequel to Rothfuss's 2007 debut, The Name of the Wind, is a towering work of fantasy.... This breathtakingly epic story is heartrending in its intimacy and masterful in its narrative essence, and will leave fans waiting on tenterhooks for the final installment."
