An introduction presents the necessary background information about the framework and sources of the criminal justice system, and then proceeds to a detailed examination of the grounds for criminal liability, the justification of criminal offences, the defences that diminish or excuse criminal liability, the classification of criminal offences, and the sanctions system.

Coverage of criminal procedure focuses on:

- the organization of investigations,
- pre-trial proceedings trial
- stage,
- and legal remedies.

A final part describes the execution of sentences and orders, the prison system, and the extinction of custodial sanctions or sentences.
