Colm McKenna has led a guarded life. Gifted with a wintry soul and a photographer's eye, he can stop time as easily as he freezes water, or call down cold north winds. He thinks he is alone and unique in the world. Then, seemingly by accident, he meets handsome writer Aidan Gallagher, his opposite, a young man who not only magically raises temperatures but quickens Colm's heart.

In this lighthearted and contemporary, gay romantic fantasy, can two male witches whose passion reincarnates century after century, find a way to express their love for each other again? Can this enchanting pair finally succeed after so many lifetimes?

A finalist for the 2009 Lambda Literary Award for Best Gay Men's Romance!
