Where The Streets Had A Name Randa Abdel-Fattah

Critically acclaimed author Randa Abdel-Fattah's middle-grade debut about the journey -- and risks -- a Palestinian girl will take to save her family.

Thirteen year old Hayaat is on a mission. She believes a handful of soil from her grandmother's ancestral home in Jerusalem will save her beloved Sitti Zeynab's life. The only problem is that Hayaat and her family live behind the impenetrable wall that divides the West Bank, and they're on the wrong side of check points, curfews, and the travel permit system. Plus, Hayaat's best friend Samy always manages to attract trouble. But luck is on the pair's side as they undertake the journey to Jerusalem from the Palestinian Territories when Hayaat and Samy have a curfew-free day to travel.
