Prepare for professional nursing practice in the community with *Community as Partner, 7e*. Packed with real life examples and the latest information in the field, this award-winning book helps you develop the knowledge and skills you need to develop true partnerships with communities. User-friendly, well written, and clearly organized, this practical book focuses on the nursing process, community assessment, and the development of effective community health programs. In addition:

- **Learning Objectives** at the beginning of each chapter focus your attention on important chapter content.
- **Take Note Boxes** highlight key concepts as you go through the steps of the nursing process for a community.
- **Critical Thinking Questions** at the end of each chapter enable you to review and apply chapter content.
- **Further Readings** provide opportunities for further exploration of topics of interest.
- **Coverage of global health in Chapter 1** explores the multifaceted, global nature of community and public health nursing.
- **A strong chapter on rural health** helps you understand the unique considerations required for community nursing in a rural environment.
- **Online interactive case studies** develop your critical thinking and clinical reasoning skills through case studies accompanied by pertinent questions and links to additional websites.
