"Dark fantasy has a new heroine."

--- SFX

When the dead call, she answers.

Bounty hunting is a helluva job, but it pays the bills. And it lets Necromancer Dante Valentine forget her issues---like struggling with her half-demon side and the memory of her lover's death.

Now psychics all over the city are being savagely murdered---and a piece of the past Dante thought she'd buried is stalking the night with a vengeance. Too bad she's got no way to tell which fiend--or friend--to trust. Or that her most horrifying nightmares are gathering to take one kick-ass bounty hunter down for the count.

But that's only the beginning. The Devil just called. He's looking for Dante's lover--the one he killed...
