When No Price Is Too High, Pleasure Knows No Limit....

For homicide detective Stuart Haydon, murder is just the beginning. His investigation into the brutal slaying of a cameraman in a Houston ad agency's darkroom sets him on the trail of a most bizarre and twisted series of crimes...the kind that only money can buy.

"Brutally straightforward...this book is filled with violence, but it's all very well done."

-- People

At the heat of the case sits a man of enormous wealth. power, and resources -- a brilliant, perverse, and reclusive magnate who dreams of the ultimate evil...and whose financial resources can make his dreams a reality. But to what depths do his obsessions reach...and to what lengths is he willing to go to satisfy them?
