The Secret Journal of Brett Colton Kay Lynn Mangum

Kathy Colton can't stand her brother, Brett. Her family talks as if he were perfect! All Kathy knows for sure is that Brett is dead. He died of leukemia when he was sixteen and she was only two. But when Kathy turns sixteen, she discovers her brother's hidden journal – a journal written especially for her - and learns about the brother she never knew. At the same time, Kathy is mortified by an assignment to tutor the popular high school quarterback Jason West, a football jock who, even worse, is a Mormon. Author Kay Lynn Mangum brilliantly weaves the dual stories of a dying brother and a coming-of-age sister who learn the importance of loving our family and our friends and nurturing our faith.
