Walking on Water: A Novel (The Walk) Richard Paul Evans

In this fifth *New York Times* bestseller in the Walk series, Richard Paul Evans's hero Alan Christoffersen must say some painful goodbyes and learn some important lessons as he comes to the end of his cross-country walk to Key West.

After the death of his beloved wife, after the loss of his advertising business to his once-trusted partner, after bankruptcy forced him from his home, Alan Christoffersen's daring cross-country journey—a walk across America, from Seattle to Key West, with only the pack on his back—has taught him lessons about love, forgiveness and, most of all, hope.

Now Alan must again return west to face yet another crisis, one that threatens to upend his world just as he had begun to heal from so much loss, leaving him unsure of whether he can reach the end his journey. It will take the love of a new friend, and the wisdom of an old friend, to help him to finally leave the past behind and find the strength and hope to live again.
