Bloody Lane Martin Lee, Matthew Fleury

Felix Allaben is a haunted man. Haunted by the memory of his wife, gunned down in a mugging gone awry. Haunted by his responsibilities as a single father of a teenage girl. And, as *Bloody Lane* opens, haunted by the murder of Curtis Gwynn, an ex-cop whom Allaben had known when both served in the Baltimore Police Department. Gwynn is found dressed in the uniform of a Civil War re-enactor on the hallowed grounds of the Antietam battlefield—shot through the head.

Allaben is a special investigator with the Department of Justice. He has been summoned by a shadowy official in Washington to get to the bottom of the crime. Working in tandem with the local sheriff, Felix weaves his way through a maze of leads, lies, and dead ends in his effort to make sense of this first death and of others that unexpectedly follow. In so doing, he comes up against an armed, active, neo-Confederate hate group operating out of a local gun club and bent on domestic terrorism.

The suspects are many. Among them are an unstable realtor with whom Gwynn was having an affair; her alcoholic, hot-headed husband; their son, a Civil War enthusiast who's been upset by the unsavory lifestyles of his parents; her brother, a rising politician, and a retired Navy contractor, as well as other members of the aforementioned militia.

Bloody Lane is set in and around Frederick, Maryland, a small city with an intriguing past. The infamous Civil War battle of Antietam, fought nearby, yielded the single bloodiest day in American history. The conclusion is both violent and unsettling.
