Keep the Change: A Collector's Tales of Lucky Pennies, Counterfeit C-Notes, and Other Curious Currency Harley J. Spiller

Harley J. Spiller began collecting money at the age of five when, home sick from school, his father tossed him a sack of pennies and a Whitman coin folder. In the five decades since, author Spiller has amassed one of America's most extensive collections of unusual financial artifacts as well as a wealth of anecdotes and quirky historical details about U.S. currency. In *Keep the Change*, Spiller takes an irreverent look at our most uncommon coins and bills.

Readers learn why greenbacks are green; what happens to worn-out bills (compost is involved); how artists navigate the fine line between art and mutilation; whether it's ever acceptable to burn money (short answer: maybe); and how coin clippers and counterfeiters through the ages have profited by manipulating money. This highly selective tour through currency legends and lore will inspire readers to look with a new sense of wonder at the bills that pass through our hands every day.
