**Are you ready for a wild ride?**

**Sasha McCormick** has had a rough couple of weeks. Her mother is dying, and this has driven her to move back to rural Texas from New York City. She has put her life on hold, and is taking on new responsibilities that involve her family farm. Sasha doesn't know the first thing about farms, despite having lived on one for the first 16 years of her life. What she wasn't expecting was to hire sexy rodeo riding farmhand Wyatt O'Donnel.

**Wyatt O'Donnel** has a cocky attitude and sexiness that only comes with being one of the best rodeo riders in Texas. When he met Sasha McCormick he knew that was one woman he needed to ride. At first, she shot down his advances, but when her mother takes a turn for the worse Wyatt is the only person Sasha can turn to, and he shows her just how genuine of a man he can be.

After a night of eclipsed passion when Wyatt comes back from Dallas to find Sasha's mother passed away in the night, it doesn't take long for them to express their feelings.

**But how can a love affair with a cocky cowboy ever turn into something more?**

**WARNING This ebook contains mature themes and language. Intended for 18+ readers only.**
