Seventy Times Seven L.M. Smith

In the local chowder shack of the small central Oregon coast town of Florence, a lifelong resident invites you to share her table and watch the Suislaw River flow into the Pacific. Nan knows everything about everyone for at least three generations back, and uses these stories to highlight the redemptive power of Christ in the lives around her. Today Nan is reflecting on her favorite server; a shy, smart girl that the whole town expected great things of, and the night that changed everything...or so she thought. How can Ehrynn come to grips with a life that is forever changed and the disappointment of those around her, especially her father? Can her life really be transformed through Christ's forgiveness, and can she, too, truly learn what it means to forgive, even to seventy times seven?
