Funny and fearless, Actress/Model Jenny Sauer opens the book with an introduction into her not-so-normal life. The tall, funny and brutally honest female provides refreshingly unapologetic commentary on everything-yes everything-a gal or guy has wanted to say about those horrible dates, questioning a relationships status and waiting for "the one" to finally come around. The end of the book includes a list of helpful advice on love and dating she's gathered throughout her time in the field. "The book is a nice heaping dose of Irish sarcasm, wit and humor for the dating impaired"-Sauer
