After thirteen long months of grieving the murder of her husband, we find our heroine, Elizabeth, literally running for her life from the very people who murdered her husband.

She never expected to be rescued or her rescuer to be the infamous, United States Senator John Cole...former Navy SEAL war hero, handsome, billionaire businessman, and womanizer.

The two not only find themselves thrown smack dab in the middle of a political, national security intrigue...they find an instant attraction to one another that's both baffling and undeniable. He can't stay away from her, and she finds it hard to pull away from the first person to make her feel alive in over a year.

The danger, mystery and intrigue will keep you on edge and turning the pages. Grab the tissues because you probably will cry, but you'll also enjoy the sizzling chemistry and humorous banter between Elizabeth and John.
