Abbott Miller: Design and Content Abbott Miller

Abbott Miller: Design and Content is the first monograph on the award-winning graphic designer known for his innovative work at Pentagram, where as a partner he leads a team designing books, magazines, catalogs, identities, exhibitions, and editorial projects, creating work that is often concerned with the cultural role of design and the public life of the written word. Collaborating with performers, curators, artists, photographers, writers, publishers, corporations, and institutions, Miller has created a unique practice that alternates between the printed page and the physical space of exhibitions. In his work as an editor and writer he pioneered the concept of designer-as-author, both roles he assumes for this beautifully produced and lavishly illustrated edition. Miller presents his work as a catalog of design strategies, emerging from the unique circumstances of form and content. Four categories—books, exhibitions, magazines, and identity—provide insight into Miller's influences and working process while also showcasing his best designs.

From reader reviews:

Kristen Self:

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important for us. The book Abbott Miller: Design and Content had been making you to know about other knowledge and of course you can take more information. It is rather advantages for you. The reserve Abbott Miller: Design and Content is not only giving you much more new information but also to get your friend when you really feel bored. You can spend your spend time to read your reserve. Try to make relationship with the book Abbott Miller: Design and Content. You never feel lose out for everything should you read some books.

Christine Erhart:

Can you one of the book lovers? If yes, do you ever feeling doubt while you are in the book store? Try and pick one book that you find out the inside because don't evaluate book by its protect may doesn't work the following is difficult job because you are scared that the inside maybe not since fantastic as in the outside appear likes. Maybe you answer might be Abbott Miller: Design and Content why because the wonderful cover that make you consider about the content will not disappoint anyone. The inside or content is actually fantastic as the outside as well as cover. Your reading 6th sense will directly guide you to pick up this book.

Gertrude Hoskins:

Are you kind of stressful person, only have 10 or maybe 15 minute in your day time to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book compared to can satisfy your small amount of time to read it because this all time you only find e-book that need more time to be learn. Abbott Miller: Design and Content can be your answer because it can be read by anyone who have those short free time problems.

Wm Mills:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Abbott Miller: Design and Content can make you experience more interested to read.
