Devil's Wake Steven Barnes, Tananarive Due

What happens when an unprecedented infection sweeps the world, leaving the earth on the brink of the Apocalypse?

But this infection goes far beyond disease. Beyond even the nightmare images of walking dead or flesh-eating ghouls. The infected are turning into creatures unlike anything ever dreamed of . . . more complex, more mysterious, and more deadly.

Trapped in the northwestern United States as winter begins to fall, Terry and Kendra have only one choice: they and their friends must cross a thousand miles of no-man's-land in a rickety school bus, battling ravenous hordes, human raiders, and their own fears.

In the midst of apocalypse, they find something no one could have anticipated . . . love.
