Excerpt:

I climbed the stairs to the top and let myself into the room. The small changing area was empty, so I figured the guy was in the shower or something, although I didn't hear the water running.

"Umm, hello?" I called out.

"In here," I heard a man grunt out. His voice sounded a bit strained, as if he was lifting something. I walked into the shower area but as I did I had to pass by the little alcove that held the toilet. From the corner of my eye I saw movement, so I turned to look.

"Oh my god," I exclaimed, "I'm so sorry. I didn't know you were..." There was a tall man sitting with his pants around his ankles and a look on his face that told me he was clearly in the middle of doing his business. I started to turn around but he called out to stop me.

"Wait," he said.

I paused, already turned away from him to make my way out the door.

"Come here," he said.

What? "Umm, excuse me?" I asked, still not moving.

"Come over here," his voice was a little firmer now.
