**Reinventing Romeo: A Loveswept Classic Romance** Connie Lane

**Anything can happen when an eligible bachelor and a beautiful FBI agent go undercover as man and wife.**

Millionaire Alex Romero leads a fantasy life filled with money, women, and excitement. FBI agent Kate Ellison puts her life on the line every day. They never would have met in normal circumstances. But now Alex can provide something Kate needs: testimony that may help her put away some very nasty criminals. Sounds doable—until a hired killer comes after Alex. To protect her asset, Kate agrees to go into hiding with him in a safe location. It's bad enough having to babysit the world's sexiest man—pretending to be married to him is even worse.

Alex had given up hope that the right girl would come along, but from the moment he and Kate begin their ruse in a sleepy new Midwestern neighborhood, everything changes. Maybe it's the simple pleasures of suburban life, but Alex feels as if Kate is someone he can *really* settle down with. Now the only thing Alex must do is stay alive long enough to convince Kate that, beneath all the games, they have something real.

*From the Paperback edition.*
