Welcome to the magical city of Atlantis. Ivy Seaforth and her companions have traveled back in time to this mysterious and enchanting city for a simple cure. A cure desperately needed for one of their dearest friends. But simple just is not in the cards. What they encounter is far more ominous than they imagined from the childhood stories they were told. Atlantis is shrouded in mysteries. Otherworldly beings such as the trolls and the Unnamed, lurk in its shadows. Soon caught in the middle of an ongoing war between forces Light and Dark, many questions must be answered before the cure can be found: who is the Golden-haired boy? Who is the mysterious Doctor? Who or what is the powerful force in the tower? And most important of all... who is the one fighting on the side of the Light?
