Who says you can't go home again? Beautiful Pam hated childhood spankings, but as an adult she can't stop thinking about how cathartic it was to go across the knee of her strict, hard-spanking father.

When she presents herself for discipline as an adult, Pam soon realizes that her father plans to make the severity more fitting of an adult than a child, and soon she is a very sorry young lady.

This is just one in a collection of stories featuring strong paternal authority figures spanking recalcitrant but deserving young women who don't realize what they're getting into.

Kristy think she wants to get spanked until she taunts an older neighborhood man into taking her over his knee, only to discover it's too painful. Or is it? When Mr. Williams realizes the beautiful blonde wants to be spanked for pleasure, things change.

And when the father of two college-age daughters seeks advice on disciplining them from a stern friend, he gets a crash course in spanking and his girls get two very sore bums.

These stories, from deep in the CF archives, are available in e-book format for the first time and are sure to leave even the most hardened spanking enthusiast delighted.
