EasyTerms Terminology Guidebook for Zoology Ed Creager

This is an easy-to-use terminology guidebook that is presented in a lightweight and convenient paperback format. The book contains over 1,900 college-level terms relating to zoology, along with their definitions. The book also includes a complete index and table of contents. (Note that EasyTerms is available for nine different college-level subjects including Biology and Botany.) Although this is college-level material, high school students can use EasyTerms guidebooks to prepare for college, getting a "jump start" on learning words that they'll need before they even arrive on campus. Additionally, the guidebooks can help nearly anyone boost their vocabulary.
