Fire Under My Feet: A Memoir of God's Power in Panama Leo Mahon, Nancy Davis

This is the autobiography of an Irish-Catholic priest who became one of the great missionaries of our time. In 1963, Fr Leo Mayhon was sent to build an experimental church in Panama. When he arrived, he was unaware that he would later be threatened by a vicious dictator and punished by a Cardinal for establishing a Christian community known throughout the world as a model of faith, justice and peace. This work presents a dramatic story which reveals how a vibrant and happy church can survive despite the external threats.
