## **Homeland Security and Terrorism: Readings and Interpretations (The McGraw-Hill Homeland Security Series)** Russell D. Howard, James J.F. Forest, Joanne Moore

The McGraw-Hill Homeland Security Series draws on frontline government, military, and business experts to detail what individuals and businesses can and must do to understand and move forward in this challenging new environment. Books in this timely and noteworthy series will cover everything from the balance between freedom and safety to strategies for protection of intellectual, business, and personal property to structures and goals of terrorist groups including Al-Qaeda.

*Homeland Security and Terrorism* is a comprehensive collection of essays and articles addressing the problems and solutions of maintaining openness and freedom in American society, while providing protection against future terrorist incidents. Noted contributors including former Oklahoma governor Frank Keating discuss relevant matters from the changing relationships and responsibilities among government, industry, and private citizens to strategies for minimizing tensions between establishing defensive measures and the financial and societal costs of those matters.
