The Belligerent Book of Movie Quotes Danny Marianino

The Belligerent Book of Movie Quotes is an exceptionally distasteful collection of threats, appalling criticism, revolting dialogue, and offensive one-liners that are not only obnoxious but also absolutely hilarious. The book is jam-packed with an assortment of the most detestable un-inspirational quotes taken from films of every genre that are often more memorable than the movie itself. Don't look for motivational sayings here unless, of course, your motive is to offend!
