18-year-old Lance Bottomley is an attractive young orphan. So attractive, in fact, that the **wealthy and commanding** Duke of Birmingham is charmed by Lance's girlish looks, and finds him a **special role at his enormous manor**.

The Duke of Birmingham is infamous for his **dark and twisted perversions**, but nothing prepares Lance for the **trials that he is expected to endure in the Duke's presence**.

The **Duke and his lusty cohorts humiliate Lance**, now called Sissy, making him **dress up like a little girl, and treating him like one too**. But the most shocking thing of all is that Lance **actually begins to like it**. And the Duke likes it too... **hard and without protection**.
