The Sin Eater Gary D. Schmidt

After Cole's mother dies, he and his father go to live with his mother's parents in tiny Albion, New Hampshire. The Emersons make it easier for Cole to cope -- but he is helpless in the face of his father's depression. So Cole turns to Albion itself, and its history. Can the old stories help him handle the present? "Infused with feeling, and shot through with sobering, hilarious, startling, lovely, always well-told incidents...A haunting, thoroughly admirable debut."-- *School Library Journal*
