## **Rocky Road**

THE ST. GEORGE SPECTRUM

*Dr. Trenton Hendricks was last seen Friday, April 8, when he set out alone on a backpacking trip. Hendricks's Jeep Grand Cherokee was located Tuesday at the Chuckwalla Trailhead, but after six days and thousands of man-hours, the official search has been called off. He is presumed to be deceased.*

It was supposed to be a girls' weekend in scenic St. George, Utah, that would include shopping, trying out the local cuisine, and participating in a breast cancer fund-raiser. The fact that one of the organizers of the fund-raising event, a local doctor, had disappeared two months before was not supposed to be Sadie's problem.

When Sadie learns that her friend Caro and Caro's cousin, Tess, have started a grassroots investigation into Dr. Hendrick's disappearance, Sadie graciously refuses to be a part of it. With her wedding to plan and her most recent case still fresh in her mind, Sadie is determined to leave this case to the police—until she meets the ex-wife of the missing man.

How could she not ask a few questions ... that lead to more questions ... that lead to a small town and even more questions? When the local police ask her to be their eyes and ears, Sadie can't help but jump in with both feet. Before she knows it, she is on the rocky road of another investigation, following a convoluted trail of good intentions, hidden motivations, and philanthropy turned big business.

## **Fortune Cookie**

Sadie Hoffmiller has always liked things to be just so. A place for everything and everything in its place. Order over chaos. And of all things Sadie should be able to control, her own wedding is at the top of the list.

With the big day just three weeks away, Sadie is busily adding the perfect final touches to her wedding plans. But the arrival of a mysterious letter that bears a San Francisco postmark and no return address could change everything. The only person Sadie knows in San Francisco is her older sister, Wendy, whom she hasn't seen or heard from since their mother's funeral nearly fifteen years ago. Sadie has faced off with murderers and crooks in recent years, yet the potential of her sister reentering her life is both overwhelming and frightening. But, as Sadie soon discovers, the letter is just the beginning. Wendy's world turns out to be a place of unanswered questions, twisted truths, and more than one motive for murder.

## **Wedding Cake**

After years of mysteries, murder, and mayhem, the big day has arrived, and Sadie wants nothing more than for her wedding to Pete to be completely uneventful. When she receives a threatening, anonymous text

message just days before the ceremony, she's determined not to let it interfere with the celebration she has carefully planned for months. But as the threat escalates from a distant fear to a frightening reality, Sadie realizes just how much she's underestimated the situation. Desperate to put an end to the games, lies, and manipulation that has shadowed her life, Sadie, her fiance, Pete, and her children pull out all the stops. What they don't know, however, is just how far Sadie's nemesis is willing to go to make good on the thread she made to Sadie three years ago.

Will the wedding go off without a hitch, or will "'til death do us part" come far too soon? There's no turning back for anyone in the riveting conclusion to this twelve-volume culinary mystery series.
