Imagine if the Big Bad Wolf had won? Dex Solomon is the Big Bad Wolf. Leader of a lycanthrope team of mercenaries, he fights hard, plays harder. And on the battlefield as well as in bed he takes no prisoners. He has no finesse, doesn't know the meaning of the word "retreat". His men will follow him to the gates of hell if need be. His women regularly curse him off to the same place. But one woman — sexy, dangerous and enigmatic — has managed to penetrate the tough shell and ignite the sexual fury brewing underneath, has even managed to convince the ever-guarded Solomon to trust her. For the first time in his life, he's considering it...changing his ways, taming the beast within. He'd do anything for Eva. And Eva, the Iron Conclave's top spy, sent to infiltrate a team of dangerous lycanthrope mercenaries, would do anything to protect her government. Even if it means betraying the one man she's come to love.
