## **Anarchy, State, and Utopia** Robert Nozick

Translated into 100 languages, winner of the National Book Award, and named one of the 100 Most Influential Books since World War II by the *Times Literary Supplement*, *Anarchy, State and Utopia* remains one of the most theoretically trenchant and philosophically rich defenses of economic liberalism to date, as well as a foundational text in classical libertarian thought. With a new introduction by the philosopher Thomas Nagel, this revised edition will introduce Nozick and his work to a new generation of readers.
