Sequel to the action-packed, sci-fi thriller

DARKER THAN AN ANGEL

Just one week after her mission in Greenland, agent Shrine is told that her former partner has gone AWOL. But that's not the worst of it. He has revenge on the brain and is out for blood.

While trying to recover from residual guilt stemming from her previous mission, Gabbi is sent away from JK Tech for her own protection. Her ex-partner is targeting every agent assigned to a past cancellation and Gabbi is the bulls-eye.

She had tried to keep him safe from the agency. She did her best to keep their secret hidden, but no one told her that her actions would have consequences. No one told her that her guilt would swallow her whole. No one told her:

If you pity a snake, you're bound to get bitten.
