Stepbrother: My Burning Desire

Stepbrother: Impossible

Step: Out Of Bounds

Step: Irresistible

## **Stepbrother: My Burning Desire**

She can't stop. She can't walk away. She can't hold back any longer.

When Grace's house unexpectedly burns down, the insurance company puts them up in a crummy hotel until more suitable accommodation can be found.

Far too late to negotiate an alternative, it means sharing a box room with her stepbrother James, in which they've neglected to provide separate beds.

James begins the night on the floor, but Grace immediately feels sorry for him. Her bed is huge and it seems like a shame to waste it. Grace knows that she's playing with fire, but she just can't help herself. She invites him up to join her.

She knows it's taboo, and she knows it's forbidden, but James is just too damn tempting to resist. When his leg touches hers and he reaches out for her, she knows she should just push him away. Everything inside her tells her it's wrong, but she doesn't want to listen. She can't stop. She can't walk away. She can't hold back any longer.

James is her stepbrother and this is her burning desire. Finally she's going to let him get what he wants.

## **Stepbrother: Impossible**

Making herself stop is harder than she thought it would be.

When Izzy is left alone with her stepbrother Sam, an innocent game reveals a taboo secret. She knows what she wants is deeply forbidden, but making herself stop is harder than she thought it would be. Will Izzy ignore the feelings she has for her step, and continue to listen to every part of her brain that says no, or will she finally give into her body, and let her desires, and her stepbrother consume her?

For a long time Izzy thought her stepbrother was impossible. Now she's not so sure.

## **Step: Out Of Bounds**

It's taboo and out of bounds, there's no doubt about that. It may even be forbidden

Michael doesn't believe in reincarnation, but when he meets the step his late wife has spent their entire

marriage keeping secret, he can't help but wonder if he's dreaming.

18 year old Grace is the spitting image of Alice, but she's younger, inexperienced and even more attractive. She's like the girl Michael always wanted Alice to be, and when she moves in under his invitation, he realises he has feelings for her in a way that he knows he shouldn't.

He still loves his wife, but Grace is just something else. It's taboo and out of bounds, there's no doubt about that. It may even be forbidden. She's his step after all, and he's meant to look, not lust after her, but he just can't pull himself away. There's something about the innocent girl he finds impossible to resist.

He wants her hard, deep & unprotected, and he's not going to stop until he gets his way.

It was love at first sight with Alice. With Grace it's something a thousand times stronger.

### **Step: Irresistible**

He knows it's wrong and he knows it's taboo, but demanding Jack has waited long enough.

18 year old Alice is a stunning little package, with a secret crush on the one man that she knows she can't have.

Jack is a dominant alpha male used to getting his own way, his own forbidden secret tearing him up inside.

This irresistible girl is perfect for him in every way: Naive, precocious, and totally forbidden.

When they find themselves alone in the house together one evening, Jack soon realises he can't hold his urges back any longer. His inexperienced step may be strictly off limits, but Jack is a man that always gets what he wants. He knows it's wrong and he knows it's taboo, but demanding Jack has waited long enough. He wants her hard, deep and unprotected, and this time he won't take no for an answer!
