## **Stuttering: An Integrated Approach to Its Nature and Treatment** Barry Guitar

Speech therapists--and their clients who stutter--will benefit from this text that enhances one's understanding of this disorder and the principles underlying treatment. The first four chapters cover current thinking on the etiology of stuttering, onset, and development of the disorder. Readers will learn the latest in current treatment approaches, including stuttering modification, fluency shaping, and integration of these two methods. The authors stress an understanding of the person who stutters, and help the reader gain perspective in evaluating and treating this multifaceted disorder.
