## **Summer at Tiffany** Marjorie Hart

New York City, 1945. Marjorie Jacobson and her best friend, Marty Garrett, arrive fresh from the Kappa house at the University of Iowa hoping to find summer positions as shopgirls. Turned away from the top department stores, they miraculously find jobs as pages at Tiffany & Co., becoming the first women to ever work on the sales floor, a diamond-filled day job replete with Tiffany-blue shirtwaist dresses from Bonwit Teller's—and the envy of all their friends.

Looking back on that magical time in her life, Marjorie takes us back to when she and Marty rubbed elbows with the rich and famous, pinched pennies to eat at the Automat, experienced nightlife at La Martinique, and danced away their weekends with dashing midshipmen. Between being dazzled by Judy Garland's honeymoon visit to Tiffany, celebrating VJ Day in Times Square, and mingling with Café society, she fell in love, learned unforgettable lessons, made important decisions that would change her future, and created the remarkable memories she now shares with all of us.

### From reader reviews:

#### **Trevor Cianciolo:**

What do you concerning book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy man? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. They need to answer that question because just their can do that will. It said that about book. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need this specific Summer at Tiffany to read.

#### **Kenneth Hill:**

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is within the former life are challenging to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen in you if you take Summer at Tiffany as your daily resource information.

#### **Joe Garner:**

Reading a reserve tends to be new life style in this particular era globalization. With studying you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can easily share their idea. Books can also inspire a lot of people. Lots of author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the publications. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some analysis before they write to their book. One of them is this Summer at Tiffany.

#### **Della McDonald:**

Reading a book being new life style in this year; every people loves to go through a book. When you read a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information in it. The information that you will get depend on what sorts of book that you have read. In order to get information about your research, you can read education books, but if you want to entertain yourself look for a fiction books, these us novel, comics, and soon. The Summer at Tiffany offer you a new experience in reading through a book.
