The Janissary Tree: A Novel (Investigator Yashim) Jason Goodwin

Winner of the Edgar Award for Best Novel

It is 1836. Europe is modernizing and the Ottoman Empire must follow suit. But just before the sultan announces sweeping changes, a wave of murders threatens the fragile balance of power in his court. Who is behind them? Only one intelligence agent can be trusted to find out: Yashim, a man both brilliant and near-invisible in this world, an investigator who can walk with ease in the great halls of the empire, in its streets, and even within its harems--because, of course, Yashim is a eunuch. His investigation points to the Janissaries, who, for four hundred years were the empire's elite soldiers. Crushed by the sultan, could they now be staging a brutal comeback? And can they be stopped without throwing Istanbul into political chaos?

This first book in the Investigator Yashim series is a richly entertaining tale, full of exotic history and intrigue.
