The Turn of the Screw

Henry James (1843 - 1916)

The Turn of the Screw, originally published in 1898, is a gothic ghost story novel written by Henry James.

Due to its original content, the novel became a favourite text of academics who subscribe to New Criticism. The novel has had differing interpretations, often mutually exclusive. Many critics have tried to determine the exact nature of the evil hinted at by the story. However, others have argued that the true brilliance of the novel comes with its ability to create an intimate confusion and suspense for the reader.
