## **Competence & Competency Management - The Practitioners Handbook: Develop Organizational Competence & Individual Competencies** Sudhir Warier

The book which is unique in its structure, content, and organization presents a judicious blend of theoretical constructs and foundation backed by practical demonstrations and examples along with dedicated case studies and application notes. The book, blends existing body of knowledge with practical tips gained through real life implementation exposure, tempered with hitherto unobserved correlations uncovered through statistically valid primary research and cemented with appropriate examples and case studies, is a practical handbook that will prove to be indispensable to corporate honchos – C Level Executives, Human Capability Management Experts, Policy Makers, HR Managers besides being a comprehensive reference to postgraduate and graduate students of management. The book covers all important aspects of organizational competency management and hence would be an invaluable reference for students irrespective of their location and discipline.
