De la crisis económica a la crisis política (LIBROS DE VANGUARDIA) (Spanish Edition) Manuel Castells

Manuel Castells tiene el don del cirujano, el corte preciso, breve, en apariencia fácil, pero fruto de años de investigación. El objetivo de su bisturí aquí es la crisis que arranca en 2008, la *great recession* como ha sido bautizada en Estados Unidos destronando a la de 1929. Su análisis incisivo hace aflorar los cambios profundos que se han operado en España y en el mundo: la deslegitimación de los políticos y de las élites, los movimientos críticos con el sistema, los nuevos partidos, el impacto en la Unión Europea y el euro, la cuestión catalana, la nueva sensibilidad antimercantilista, que se comunica por internet y valora más la interrelación humana que el interés. A través del tiempo, desde entonces hasta ahora, Manuel Castells ha desmenuzado en *La Vanguardia* y *Vanguardia Dossier* esa auténtica revolución que ocurre poco a poco, en unos artículos antológicos que ha agrupado temáticamente aquí y cuyo conjunto constituye un ensayo imprescindible para entender nuestra época.
