The US Census Bureau estimates that over 8 million children enroll in nursery school or kindergarten every year. The educational success of these children depends largely on their knowledge of the alphabet, numbers, colors, and opposites. The I Like to Learn Alphabet teaches children these fundamental skills in a fun, playful, yet very effective way. This whimsically illustrated book will help children learn their ABCs with rich and colorful depictions of animals from around the world.

Kids will love reading this book and parents will love how their faces light up as they guess what animal will appear on the next page. With beautiful hand-drawn illustrations, it's a fun and exciting way of learning the alphabet that kids will never tire of.
