Irish Farmers Ciara Ryan

What's sexier than an Irish farmer? Well, lots of things, actually, but they certainly aren't as cool, funny, or bring such infectious joy. For seven years, Ciara Ryan's hilarious *Irish Farmers* wall calendar has been one of the most popular calendars in Ireland. In the past two years the calendar has reached No. 2, beaten only by the world's biggest boy band, One Direction. And that's just in Ireland. So move over *Awkward Family Pet Photos*, *Hot Guys and Baby Animals*, *Grandma's Dead: Breaking Bad News with Baby Animals*, and *Porn for Women*. It's time for America to meet Irish Farmers, *and* a bunch of awesome animals, in book form.

This funny and sweet full-color collection of 75 photos of young farmers naked from the waist up alongside their favorite livestock is sure to make a splash for St. Patrick's Day.
