Lucy has been obsessed with the Loch Ness Monster ever since she was a little girl, and now that she's all grown up, Lucy finds herself on the adventure of a lifetime hunting for the creature in Scotland.

After receiving an insider tip, Lucy camps out in a cove that is known for sightings of the beast, but when she's awakened by a strange noise it becomes very clear that there could be more than one monster lurking in the lake.

Completely surrounded by horny creatures, Lucy suddenly realizes that her obsession is more than just an innocent fantasy, it's a recipe for a hardcore interspecies gangbang.

THE LIZARD MAN TROOP

Despite being required to wade through the deep Louisiana swamps all day, Lindsay loves her job. There's nothing quite like the thrill of discovering a new species, and the most thrilling of all would be to find the Louisiana Lizard Men. Too bad they're only legends.

But when a strange hillbilly shows up at Lindsay's research station hawking his very own lizard man attracting cocktail, the creatures quickly become more than just folk tales. Soon Lindsay finds herself fighting for survival in a ruthless lizard man gangbang.

THE GREMLIN BOX

Beth loves exploring those hard to find vintage shops, feeling the rush whenever she discovers a hidden gem among the piles of strange old junk. But when Beth takes home a box of small green creatures from a mysterious sex room, she may have gotten more than she bargained for.

It's too bad she never read the instructions, because after catching a glimpse of Beth's online porn, the creatures begin rapidly growing in size. Beth soon learns that reversing the process is harder, and more hardcore, than she ever imagined.

Soon enough, Beth finds herself at the center of a ruthless gremlin gangbang.

THE RAPTOR RIVER

When Courtney pays for a guided track along the Amazon river, she expects the guide to actually know where he's going. Unfortunately, though, it's not long before their entire group is lost in the dense jungle.

Even the guide's stories of ferocious, sex crazed dinosaurs doesn't lighten the mood, but when Courtney encounters an entire pack of the raptors herself, finding a way home is the last thing on her mind.

Now Courtney is the centerpiece of a hardcore raptor gangbang, but only time will tell if carnal pleasure is enough to satiate the hunger of these dangerous beasts.
