Seminar on Dream Analysis. C.G. Jung (Jung Seminars) (v. 1) William McGuire

While the basis of these seminars is a series of 30 dreams of a male patient of Jung's, the commentary ranges associatively over a broad expanse of Jung's learning and experience. A special value of the seminar is the close view it gives of Jung's method of dream analysis through amplification. The editorial aim has been to preserve the integrity of Jung's text.
