The Golden State Andrew Rolle, John S. Gaines

Thirty-five years after its initial publication, *The Golden State* remains a balanced, multicultural, and interpretative history, the ideal text for students of California history at the high school and community college level.

With due attention to the many peoples who make California the most ethnically diverse state in the nation as well as the daunting environmental realities that challenge the resolve of all who call the Golden State home, the informative and enjoyable narrative features expanded coverage of such topics as women, water issues, ethnic relations, crime, sports, culture, and politics in the twentieth century.

A crucial feature of this affordable, beautifully illustrated, and durable hardcover volume remains a chapter on state, county, and city government, detailing the responsibilities of state officers and the organization of the state legislature and court system. The elements of direct democracy—referendum, recall, and initiative—and the legislative process also are explained in direct yet lively fashion.

From reader reviews:

Christopher Mills:

Spent a free time and energy to be fun activity to try and do! A lot of people spent their down time with their family, or their particular friends. Usually they carrying out activity like watching television, planning to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Will you something different to fill your current free time/ holiday? May be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled The Golden State can be excellent book to read. May be it may be best activity to you.

Candy Dixon:

Playing with family within a park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Golden State, you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't obtain it, oh come on its called reading friends.

Gayle Anderson:

Is it an individual who having spare time after that spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This The Golden State can be the reply, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these guides have than the others?

Annmarie Windham:

That publication can make you to feel relax. That book The Golden State was colorful and of course has pictures on the website. As we know that book The Golden State has many kinds or variety. Start from kids until adolescents. For example Naruto or Detective Conan you can read and think that you are the character on there. Therefore not at all of book are generally make you bored, any it can make you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that will.
