Windows 10 for Seniors: Get Started with Windows 10 (Computer Books for Seniors series) Studio Visual Steps

The ideal book for older adults that have already worked with an earlier version of Windows and want to get up and going with Windows 10, this guide covers all of the important basic functions, including browsing the internet safely, sending and receiving email, organizing files and folders, viewing photos and videos, and listening to music. The book allows users to learn step by step and at their own pace how to work with the new programs and features in Windows 10, as well as how to configure Windows 10 to make their computers more user-friendly. It offers additional exercises for practicing a variety of different tasks, and there are instructional videos available online on the book's support website.
