Do you feel truly alive or are you just going through the motions in life?

The fulfillment you seek can be found in worship- a worship that starts within you. The sweet psalmist David provided us his key to worship, which God vowed would never end. Once you know where you fit into this pattern of worship, and experience its freedom, you will never opt to live a life of merely going through the motions again. You will worship not because you are told to, but because you love to. In worship, God's heart of love is found. Through it-you can find joy-and feel more alive than ever before!
