BBC Radio Shakespeare: The Taming of the Shrew (Dramatized) William Shakespeare

BBC Radio has a unique heritage when it comes to Shakespeare. Since 1923, when the newly formed company broadcast its first full-length play, generations of actors and producers have honed and perfected the craft of making Shakespeare to be heard.

Layers of assumed identity, elaborate role-playing, and acerbic exchanges of wit reveal the real relationship between men and women in this exuberant production of one of Shakespeare's earliest comedies.

Revitalised, original, and comprehensive, this is Shakespeare for the new millennium.
