13 Art Techniques Children Should Know Angela Wenzel

This new book in the 13 Series introduces young readers to a variety of important art techniques, explained through some of the world's most recognizable masterpieces. What's the difference between watercolor and gouache, or between a collage and an assemblage? How are frescoes and mosaics made? Why do prints look so different from each other? These questions and others are explored through major works of art in dazzling color reproductions. Children will learn about drawing through cave paintings and Leonardo's sketches, understand how Holbein and Van Gogh used oil paints to vastly different effect, and discover what Matisse accomplished with colored paper and a pair of sharp scissors. Along the way they will be encouraged to make their own masterpieces using similar techniques.
