Framed (Book 3, The Caged Series) (Volume 3) Amber Lynn Natusch

The third installment of the Amazon bestselling Fantasy and Paranormal Romance Caged series. "He left without pause—without looking back. The single connection to normality I had was driving back to Boston, to a life interrupted by the knowledge that legends and lore may not be just that, and left to contemplate what other monsters may be in existence beyond what he'd witnessed that night. I was left to acknowledge that my friend was gone, my partner lost, and yet another person's life was damaged because of knowing me. Maybe a cage was exactly where I belonged." The deaths of three PC brothers have yet to be solved, and Ruby once again finds her head sitting squarely on the chopping block. To make matters worse, a revenge-crazed werewolf keeps hijacking her mind, replaying all the details of his gruesome attacks. As she struggles to navigate her way through this life of supernatural violence, Ruby realizes that the dreams of normal women her age may never become her reality. No white dress. No family of her own. She fears that everything and everyone she knows is in danger—and it's all because of her. When she finally accepts those fears as fact, Ruby takes drastic measures to ensure the safety of those she loves most... Even if it means forfeiting her own. **CONTENT ADVISORY:** language, mild violence, mild sexual content Editorial Reviews: "She's got a talent for urban fantasy as a whole, but she also has a good solid grasp on writing a mystery. This installment in the series is much darker feeling and.....well, not that I sit around trying to predict the ending of every book I read, but I wasn't able to get a read on the big reveal in this one. Not even a little bit. And it's a **BIG REVEAL**. It's more like a landslide of several big reveals and I couldn't have been more stunned!" ~ Jena Gregoire, puretextuality.com "We give this book 6 stars (refer to our Rating policy), because it's **RIDICULOUSLY GOOD** and it deserves every last one of them!" ~ Shannon Morton and Rachel Castro, redheadsread.com
