The host of CNBC's Mad Money presents the ultimate guide to lifetime investing for listeners of any age. Whether you're a recent college grad trying to figure out how to start investing, a young parent struggling to decide where and how to put away money, or someone well into middle age and worried about whether you've saved enough money for retirement, Jim Cramer's Stay Mad for Life has the answers. "The media's most electrifying market pundit" (USA Today), bestselling author Jim Cramer covers all the essentials: how to save, where to invest, which pitfalls to avoid. He offers valuable advice on everything from mortgages to college tuition. He explains what professional money managers do right that amateur investors do wrong. Because there is always a bull market somewhere, Cramer tells listeners where to find the bull markets of the future, and for those willing to do the homework, he chooses twenty stocks that could be long-term money-makers. For those who don't have the time or the temperament to invest in stocks, he identifies the mutual funds that are proven winners. He's investigated these mutual funds by using his own twenty-five years of experience managing money for himself and dozens of America's wealthiest families. Throughout, he draws on rigorous research and his own enormously successful experience to back up his advice. Jim Cramer is America's #1 financial guru and Jim Cramer's Stay Mad for Life is the definitive money guide, full of practical, insightful, and invaluable financial advice.
